Speaker biography

Preferred session format

Session title

Brief synopsis of your session

What in particular will make this session stand out from the crowd?

Does this session involve a partnership where you would involve a co-presenter? If so, please elaborate

Have you ever spoken on this topic before - and do you plan to before AImed 2023?

How would you describe your presentation style? How do you connect with the audience?

Is there any other relevant information we should know?
